

## PUMP ACCESSORIES & SPARE PARTS

Enhance and extend the operational life of your OILSAFE containers with these accessories and spare parts. For more information visit our website at [oilsafe.com](http://oilsafe.com)

### UTILITY LID

Ideal for topping off crank cases and gearboxes

Multi purpose lid with large 2" outlet hole ensures controlled fast pouring of lubricants. Match this lid to a 3, 5 or 10 liter/US quart drum for use with an OILSAFE Pump.

### PART #

100200 – Beige  
100201 – Black  
100202 – Blue  
100203 – Dark Green  
100204 – Gray  
100205 – Mid Green  
100206 – Orange  
100207 – Purple  
100208 – Red  
100209 – Yellow

### DRUMS

Graduated to assist with measuring fluid volumes

Fully interchangeable with OILSAFE Lids, these drums have an extra wide neck opening for rapid pouring and easy cleaning.

Available in 5 sizes

### PART #

101001 – 1.5 Liter / US Quart  
101002 – 2 Liter / US Quart  
101003 – 3 Liter / US Quart  
101005 – 5 Liter / US Quart  
101010 – 10 Liter / US Quart

### PREMIUM PUMP COLLARS

On-site Identification Systems

Premium pumps use, and come standard with, removable color-coded pump collars to support on site identification systems.

These pump collars can be replaced for service reasons, or should the color of the pump need to be changed.

### PART #

920300 – Beige  
920301 – Black  
920302 – Blue  
920303 – Dark Green  
920304 – Gray  
920305 – Mid Green  
920306 – Orange  
920307 – Purple  
920308 – Red  
920309 – Yellow

### PREMIUM PUMP QUICK CONNECT KITS

No need to remove the lid!

Configure the OILSAFE Premium Pump for operation with quick connects. This enables the container to be filled by quick connect

through the pump body (no need to remove the lid) and also enables attachment to machinery fill points by quick connect via the pump discharge hose. No mess, no contaminated oil top-ups.

Kit contents:

- Discharge hose (available in two lengths) with 1/4" NPT male adapter. For fitting of your preferred female quick connect.
- 1/4" NPT Male adapter for pump return port. For fitting of your preferred male quick connect
- 10 Micron Breather fits to Premium Pump accessory port providing contaminant free air intake when using Quick Connects.

**Note: Does not come supplied with male or female Quick Connects.**

### PART #

920220 – 5' Hose  
920225 – 10' Hose

### DISCHARGE HOSES

For on-site fluid storage and transporting applications

Available as a replacement 5' hose or in a 10' version for when longer reach is required, these Discharge Hoses screw easily to OILSAFE Standard and Premium Pumps.

Available in two types:

- Anti-drip hook outlet – for discharging lubricants into open fill points 1/2" and larger. Available in 5' and 10' lengths. Custom lengths available on request.
- 1/4" NPT Male end – for fitting quick connects. Available in 5' and 10' lengths. Custom lengths available on request.

### PART #

920206 – 5' Hose  
Anti-drip hook outlet  
920207 – 10' Hose  
Anti-drip hook outlet  
920208 – 5' Hose  
1/4" NPT male end  
920209 – 10' Hose  
1/4" NPT male end

### PUMP REDUCER NOZZLE

Suits both OS Standard and Premium Pump.  
This Pump Reducer Nozzle accessory fits to the aluminium anti-drip discharge pipe on the outlet end of the Pump hose and reduces the outlet diameter down to approximately 1/4", making oil top-offs to very small fill points easy, simple, fast and clean.

### PART #

102030

### PREMIUM PUMP BREATHERS

Protect against airborne contaminants during the pumping process.

Available in two different sizes, these breathers screw into the accessory port on OILSAFE

Premium Pumps. Choose from the 10 micron baffle breather (shown in photo) or 3 micron trap breather.

**The 10 Micron Baffle Breather is included with the Premium Pump Quick Connect Kits.**

### PART #

920250 – 10 Micron  
920255 – 3 Micron

# WHY USE THE OILSAFE® LABELING SYSTEM?

OILSAFE is the only industrial grade labeling system in the world that enables accurate lubricant identification from bulk storage to the fill point. In the process providing:

- **5S** – color-coded, identification and order.
- **LEAN** – the right lubricant in the right fill point.
- **Right to Know** – ensuring operators are aware of what they are handling.

The patent pending fully integrated system is comprised of two core components:

- **Labels** – available in various sizes, styles and materials.
- **Label Holders** – many different types and combinations to address the challenges of securing labels in an industrial environment.

Innovative, practical and durable, this fully integrated, color-coded labeling system also:

- **Ensures** the right lubricant goes into the right machine every time.
- **Improves** OSHA compliance.
- **Accommodates** inclusion of MSDS information at all steps of the lubrication process.
- **Enables** consistent identification of bulk storage, intermediate containers and point of use.
- Is **flexible and suitable** for multiple workplace applications.
- Is **industrial grade, high quality** and suitable for outdoor use.
- **Improves** productivity and efficiency.
- **Increases** bottom line savings.

## Customized & Standard Fluid Identification from Bulk Storage to the Point of Use

### BULK STORAGE UNITS

The first step in the chain of custody. Ensuring that Lubrication Technicians can **clearly identify the lubricant they need**.

Solutions range from simple adhesive labels through to solutions that include complete MSDS information.

### TRANSFER CONTAINERS & LIDS

Cross contamination of lubricants can be just as damaging as dirt and water. **Match** the transfer container label to the bulk label to eliminate the potential for cross contamination and ensure that employee's Right To Know entitlements are addressed.

### POINT OF USE

Getting the **right lubricant** into the **right fill point** (contaminant free) is one of the simplest ways to reduce maintenance and operating costs.

**Matching** the container label to the fill point label is the final step.

## Additional Uses

**Labeling Bulk Storage**

**Labeling Drum Pumps**

**Labeling Grease Pails**

**Labeling Grease Guns**

Please visit our website for a selection of color-coded grease guns.

**Labeling Grease Protection Tubes**

# OILSAFE® LABEL MATERIALS & SIZES

## ADHESIVE LABELS

### Description

OILSAFE Adhesive labels are made of heavy duty Polyester and have a permanent adhesive. The label material can resist water and most lubricants. Apply to a clean flat surface for best long term adherence.

## WATER RESISTANT PAPER

### Description

With a paper-like texture enabling easy writing, these heavy duty labels have built-in protection against the rigors of industrial work places. Use with OILSAFE pockets and other label holding components for attachment to bulk storage, transfer containers and fill points.

## LAMINATED CARD

### Description

Similar to credit cards in size and weight, these highly durable cards are made for the toughest work environments. Over laminated for additional protection of printed information these cards can be fixed with a OILSAFE leash or with heavy duty double sided tape.

## LABEL SIZE MATRIX

A variety of sizes to suit easy attachment of labels in the workplace.

SHAPE AND DIMENSION	APPLICATION	QUANTITY	WATER & TEAR RESISTANT	POLYESTER ADHESIVE	LAMINATED CARD
2" x 3.5"	Popular and practical sized label that provides for detailed information and fits most labeling applications.	Sheet of 10	•	•	
2" Circle	Ideal for OILSAFE Cartridge Protection Tubes or applications where a smaller space is available, yet detail is still useful.	Sheet of 12	•	•	
3.25" x 3.25"	A larger label for areas where greater visibility is required.	Sheet of 6	•	•	
0.5" Circle	Designed for OILSAFE Grease Fitting Protectors, and ID Tabs. These labels provide room for specific identification information.	Sheet of 180		•	
0.5" x 5.5"	Curved to fit OILSAFE Color-Coded Drum Rings.	Sheet of 20		•	
2.2" x 3.4"	Providing the same level of detail as the 2" x 3.5" labels, this size is unique to the laminated card labels.	Single Labels			•

STYLE	2" X 3.5"	2" CIRCLE	3.25" X 3.25"	DRUM RING	0.5" CIRCLE	2.2" X 3.4"
Content	Adhesive & Water Resistant	Adhesive & Water Resistant	Adhesive & Water Resistant	Adhesive	Adhesive	Laminated Card
